Adulting Bingo

INDEPENDENT LIVING

HOW TO USE THIS ACTIVITY

- Give each student a bingo board. Staff reads a clue or asks students to find a square matching a skill. Mark five in a row across, down, or diagonally to win.
- After a bingo, the student must explain at least three marked skills.

Bingo squares: make a grocery list | check a bank balance | wash clothes | make an appointment | cook an egg | read a bus/map route | compare prices | clean a bathroom | set an alarm | pay a bill | read a recipe | ask for help | make a budget | check smoke alarm | store leftovers | fill out a form | plan a ride | sew/repair a button | use a calendar | call a business | compare apartments | identify an emergency | pack a lunch | calculate change | FREE SPACE.
