

TRANSITION TEAM ■

Calling In & Requesting Time Off

JOB READINESS

HOW TO USE THIS ACTIVITY

- Role-play common attendance situations. Students practice contacting the correct person professionally and as early as possible.
- Do not teach students to invent excuses; focus on clear, honest communication and workplace policy.

Scenario 1: You wake up sick before a shift. Scenario 2: You know two weeks ahead that you need a day off.

Scenario 3: Your ride cancels. Scenario 4: You are running late.

Practice script parts: identify yourself, state the issue briefly, explain timing, ask/confirm next step, thank the supervisor.
