

TRANSITION TEAM ■

First Day on the Job

JOB READINESS

HOW TO USE THIS ACTIVITY

- Use before a student's first job, work-based learning placement, or job shadow.
- Read the checklist, then role-play the first 10 minutes of arriving at work.

Before: know where to go, arrive early, dress correctly, bring needed documents, charge phone but keep it away unless allowed.

At work: greet supervisor, listen, ask where belongings go, ask what to do first, write down instructions, ask questions when unsure.

Scenario practice: You arrive and cannot find your supervisor. What do you do?
