

TRANSITION TEAM ■

From Recipe to Grocery List

INDEPENDENT LIVING

HOW TO USE THIS ACTIVITY

- Pick one recipe. Students check what is already available, then create a shopping list only for missing ingredients.
- Optional: use store ads or websites to estimate cost.

Recipe _____. Servings needed _____. Already have _____. Need to buy _____. Estimated total _____.

Sort list: produce / meat-protein / dairy / pantry / frozen / other.

Challenge: Find one lower-cost substitution without changing the entire meal.
