

TRANSITION TEAM ■

Recipe Detective

INDEPENDENT LIVING

HOW TO USE THIS ACTIVITY

- Choose a simple recipe. Students locate ingredients, equipment, serving size, temperature, and sequence before cooking.
- The student should be able to explain the recipe in their own words before beginning.

Recipe detective checklist: servings; prep time; cook time; oven temperature; ingredients; measurements; equipment; first step; last step; safety concern.

Challenge: What changes if you double a recipe? What if you only make half?
