

Transition Team Lesson Pathways

Staff Tool • what to do next after a session

FOR STAFF • 30-MINUTE SESSION

Purpose: Help staff turn individual activities into connected transition instruction.

Materials: Use as a planning guide.

Easy flow: Pick a student's current need, start anywhere in a pathway, and move forward as skills develop.

Getting a First Job

Career Explorer A-Z → How to Read a Job Posting → Would You Take This Job? → Job Application Practice → Mock Interview → First Day on the Job → Reading a Work Schedule → Understanding Your Paycheck

Staff note: you do not have to start at step one. Start where the student actually needs support.

Living More Independently

Budgeting → Grocery Unit Price Challenge → Visual Recipe → Kitchen Safety → Laundry → Making Appointments → Transportation Backup Plan

Staff note: you do not have to start at step one. Start where the student actually needs support.

Workplace Communication

Professional Texting & Email → Calling In & Requesting Off → Handling Feedback → Workplace Scenario Cards → Conflict Resolution

Staff note: you do not have to start at step one. Start where the student actually needs support.

Reluctant Student / Low-Pressure

Conversation Piece → Would You Rather: Real-Life Career Decisions → No-Prep Job Offer → Adulting Bingo → Career Explorer A-Z

Staff note: you do not have to start at step one. Start where the student actually needs support.
