

Baked Potato

Visual Cooking Lab • large picture cues + short directions

FOR STAFF • 30-MINUTE SESSION

Purpose: Practice following a picture-supported recipe safely and independently.

Materials: Ingredients, listed tools, printed guide.

Easy flow: 5 min preview • 15-20 min cook • 5 min cleanup/independence check.

Ingredients + Tools

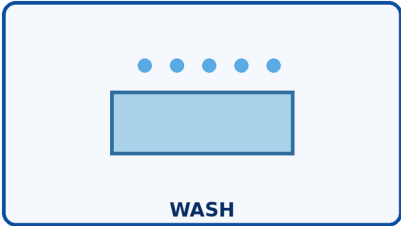

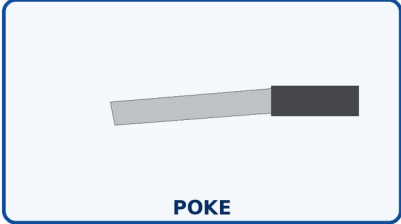

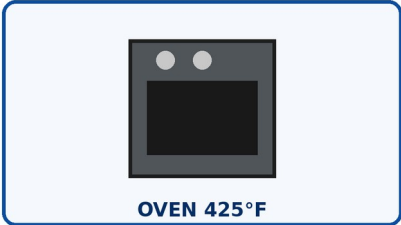

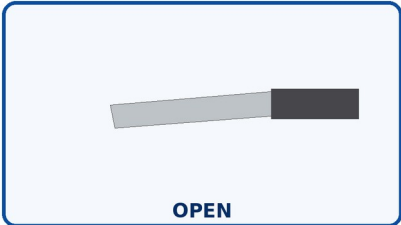

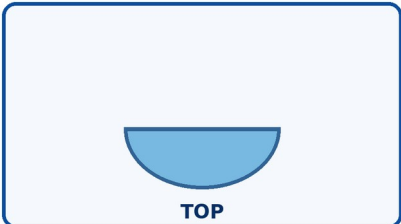

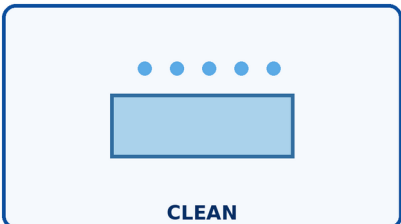

INGREDIENTS

- ☐ 1 potato
- ☐ Oil (optional)
- ☐ Toppings

TOOLS

- ☐ Fork
- ☐ Baking sheet
- ☐ Oven mitt

Follow the Pictures

 WASH	STEP 1 Wash and scrub the potato.
 POKE	STEP 2 Poke several holes with a fork.
 OVEN 425°F	STEP 3 Bake about 45-60 minutes until soft.
 OPEN	STEP 4 Cut carefully after cooling a little.
 TOP	STEP 5 Add toppings you like.
 CLEAN	STEP 6 Turn oven off and clean your area.

Independence Check

☐ Did it myself ☐ Needed a reminder ☐ Needed help

One step I can do more independently next time:
