

# Pancakes

Visual Cooking Lab • large picture cues + short directions

## FOR STAFF • 30-MINUTE SESSION

**Purpose:** Practice following a picture-supported recipe safely and independently.

**Materials:** Ingredients, listed tools, printed guide.

**Easy flow:** 5 min preview • 15-20 min cook • 5 min cleanup/independence check.

## Ingredients + Tools

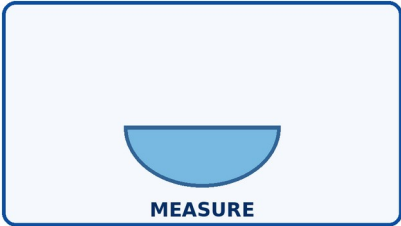

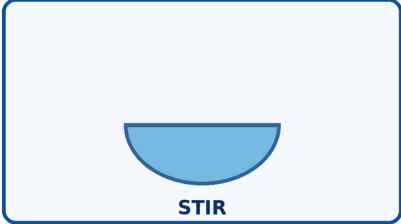

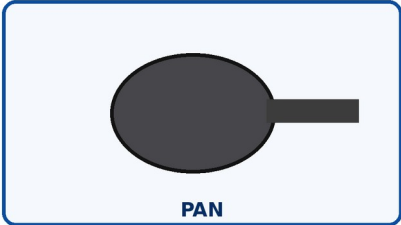

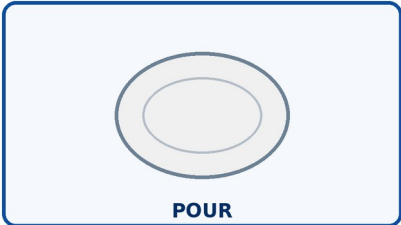

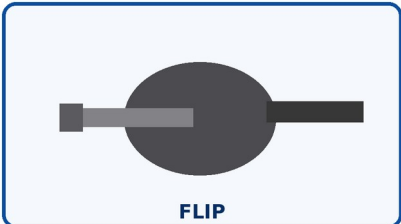

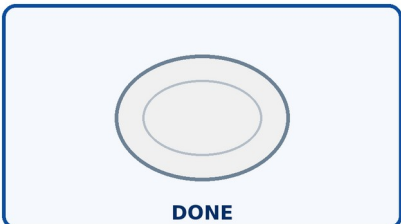

### INGREDIENTS

- ☐ Pancake mix
- ☐ Water or milk
- ☐ Oil/spray

### TOOLS

- ☐ Bowl
- ☐ Measuring cup
- ☐ Skillet
- ☐ Spatula

## Follow the Pictures

|                                                                                     |                                                               |
|-------------------------------------------------------------------------------------|---------------------------------------------------------------|
|    | <b>STEP 1</b><br><b>Measure mix and liquid.</b>               |
|    | <b>STEP 2</b><br><b>Stir just until combined.</b>             |
|    | <b>STEP 3</b><br><b>Warm skillet on medium-low.</b>           |
|   | <b>STEP 4</b><br><b>Pour small circles of batter.</b>         |
|  | <b>STEP 5</b><br><b>Flip when bubbles form and edges set.</b> |
|  | <b>STEP 6</b><br><b>Cook second side and turn heat off.</b>   |

### Independence Check

☐ Did it myself   ☐ Needed a reminder   ☐ Needed help

One step I can do more independently next time:
