Match these amounts to the pictures: ¾ teaspoon ½ cup ⅓ cup

My recipe makes _____ treat. I will ask _____ for help.

Equipment: microwave-safe bowl, measuring cups, measuring spoons, stirring spoon, serving container.

Copy one tool name: _____

LEVEL 1 / DIRECTIONS, SAFETY & REFLECTION

Write how to make it

Microwave Rice Krispie Treat - continue on the back if needed

Student: _____ Date: _____

Teacher or partner: read each step aloud. Student: check it and copy an action word.

- [ ] 1. Wash hands with soap and water for 20 seconds.
- [ ] 2. Gather the tools and ingredients.
- [ ] 3. Measure ¾ teaspoon butter.
- [ ] 4. Measure ⅓ cup mini marshmallows.
- [ ] 5. Combine butter and marshmallows in a microwave-safe bowl.
- [ ] 6. With adult supervision, microwave in short intervals and stir carefully until melted.
- [ ] 7. Measure ½ cup cereal.
- [ ] 8. Add cereal to the melted mixture.
- [ ] 9. Stir gently.
- [ ] 10. Transfer to a suitable container.
- [ ] 11. Allow to cool.
- [ ] 12. Clean up.

Copy two action words: wash / measure / stir / clean

Safety: Check food allergies and ingredient labels with an adult.
An adult supervises the real microwave. No metal utensils inside.
Use dry mitts. Hot bowls and melted marshmallows can burn. Cool before eating.

Reflection: What did I practice? _____

When did / would I ask for help? _____

One skill to practice again: _____
